A VERY WARM WELCOME FUTURE SANDCATS!

Dear Parents,

Welcome to Collegiate American School; we are thrilled that CAS is your school of choice in Dubai and thank you for entrusting your students to us. Set in the quiet residential neighborhood of Jumeriah, our campus provides state of the art facilities, extensive grounds and learning spaces, where students have the opportunity to learn, explore and develop as individuals and become part of our Sandcats family.

The vision for “Providing a world class education” is at the heart of all we strive to achieve. As a school that has been recognized by KHDA and international accrediting agencies such as Council of International Schools (CIS) and New England Association of Schools and Colleges (NEASC); we are pleased to report that accolades have been given to the school for the rapid progression made in recent years. Our most recent school inspection rating was “good” and of note was the “very well designed curriculum and effective teaching that enable students to make good or better progress”(DSIB 2017-18).

A caring, vibrant family environment exists at CAS and we would like to extend a welcome to you all. There are many ways that you can contribute to and be part of our learning community, from individual events, volunteering in classrooms and supporting the academic, social and sporting journey of our students.

Our students become responsible, well-balanced and caring young people, able to face the next stage of life with confidence and enthusiasm. We work to ensure that they develop the attitudes and habits, the mindset, of successful learners.

The happiness of our students is vital, because this lays a secure foundation for their success at school. Whilst encouraging each student to attain the highest academic standards, we develop the whole person and provide ample opportunities in sports, music and the arts. We encourage a respect for others, celebration of diversity and the ability to become responsible global citizens.

We have a wonderful team of staff who work hard to bring the best out of the students. This welcome pack aims to provide you with the essential information you need to have a seamless start at CAS. Please take time to go through all the information carefully and contact us as needed. The Admissions Office and the Administrative Team are available to you. Again, welcome to the Sandcats family, I look forward to meeting you in the near future.

Student's Registration within Dubai Knowledge and Human Development Authority (KHDA)

A constructive partnership between the school and parents is key to ensuring that students' well-being is at the core of their educational experience. It is beneficial for all concerned if this partnership is based on agreed terms and conditions set out clearly in a contract form that KHDA has introduced as a Parent School Contract for all schools in Dubai.

PARENT SCHOOL CONTRACT (PSC) – Applicable to new admissions only

Parents are required to sign the Parent School Contract once the student's admission has been approved and registered in the KHDA systems. This remains valid until the student leaves the school.

On receipt of KHDA's confirmation of the registration of the student for the academic year, parents will receive notification from the Admissions Office to visit the school in order to electronically sign the PSC.

Alternatively, you may complete this formality online as well at link

<https://www.khda.gov.ae/khdaparentportal/#/login>(Refer Annex 1 below).

Failure to comply with this mandatory requirement by the KHDA will cause suspension of the student from attending classes and the student's registration with the school stands at risk.

REGISTRATION OF THE STUDENT ON THE KHDA SYSTEMS AND APPROVAL OF ADMISSION:

(Swiping of the Original Emirates ID of the Student and one parent with the electronic machine at the Admissions office)

Parents are required to register theirs and their child’s latest Emirates ID (EID) details with the school before the Parent School Contract is signed. Any changes to the EIDs require to be updated on the system each academic year for the PS contract for that year to be generated by KHDA for the parent to sign. Please visit the Admissions Office to electronically swipe the original ID cards with the electronic machines placed at the office for this purpose. Kindly carry the original Emirates ID cards and a mobile phone when you visit the admissions office to complete this formality. On Registration, the Parent School Contract will be generated in the KHDA system for you to sign and the school will keep you informed of the same.

Completion of the above is a KHDA mandate for official recognition of the student’s registration with the school. The above documentation is prescribed by the Dubai Government for legitimate residence in the country and proper registration in a Dubai School.

Failure to comply may result in the school taking punitive action as mandated by the KHDA, and this may range from temporary suspension to cancellation of admission.

In case you face any exceptional circumstances causing a delay in attaining an Emirates ID for yourself or your child, please provide the admissions office with **official documentary evidence** for submission to KHDA.

Transfer Certificate

Before the start of the academic year:

All overseas school transfers and transfers from schools of other Emirates (not Dubai) joining Grade 2 and above at the beginning of the academic year MUST supply the CAS Admissions Office with a copy of the Transfer /Leaving Certificate stamped/ attested as per the requirements of the KHDA, before joining the school.

After the start of the academic year and after 15th of November:

All overseas students and students from other Emirates require to submit the same with a 30 day validity. This includes KG and Grade 1 students as well.

This document is compulsory for registering students with the Knowledge and Human Development Authority (KHDA) who regulates Private Schools within Dubai. Failure to supply the correct documentation, inhibiting this registration process, will lead to steps being taken which may result in non-promotion of the student at the end of the academic year, school reports being withheld and non-issue of any documentation from the school should the student leave.

What is a Transfer Certificate?

A Transfer Certificate (TC) is not the same as school records, reports or school transcripts. A TC should clearly state to which grade/year a student is promoted at the end of the year (if enrolling in September), or in which grade/year the student is currently enrolled (if enrolling midyear). Please use the sample provided below to assist your school in composing a TC if they are unfamiliar with the requirements.

STUDENT PLACEMENT

Grade Level

The correct grade for students is identified through consultation with the Admissions and Academic teams. It is our intention to always place students in the grade most appropriate for them to thrive both academically and socially in their new environment.

During this evaluation the following will be taken into account:

- a) Previous schooling to date and student's previous school reports
- b) Assessment test results (and interview if applicable)
- c) Age of student in keeping with the age criteria permitted by the KHDA
- d) Information provided on the student's Transfer Certificate
- e) Regulatory body of UAE (KHDA) requirements

Schools around the world use different numbering conventions as well as following different curriculums. It is common to find North American schools and those following the US Curriculum using a 12 year numbering format, and British schools and those following the National Curriculum for England and Wales using a 13 year numbering format. In addition, there are other numbering conventions as well as those mentioned.

In the UAE there are many schools offering different curriculums and following different numbering conventions. Below is a table indicating CAS's numbering convention and how this equates to the 13 year system. **CAS follows the 12 grade system.**

Typical Age of Student	CAS – 12 Grade Level System	13 Year System (followed by some schools)
17 +	12	13
16 +	11	12
15 +	10	11
14 +	9	10
13 +	8	9
12 +	7	8
11 +	6	7
10 +	5	6
9 +	4	5
8 +	3	4
7 +	2	3
6 +	1	2
5 +	KG 2	1
4 +	KG 1	Foundation 2 (FS2)
3 +	Pre KG	Foundation 1 (FS1)

NOTE 1: At CAS the age cut-off date for determining the grade is 31st of December as per the requirements of KHDA. The ages shown here are typical, and there may be occasional exceptions.

NOTE 2: Please refer to the school website: www.casdubai.com for an overview of what CAS has to offer your child, curriculum details, and our fee structure.

Class / Homeroom

At the end of each academic year, it is CAS policy to mix and reallocate all classes throughout the school. This process is undertaken to ensure an even spread of age, gender, nationality and ability across the classes. It also helps to ensure that new children who are joining CAS have the chance to make friends and that existing students are able to expand their social network.

Classes are composed by class teachers and the academic team who endeavor to ensure that each student is placed with some familiar students (if already enrolled), while also being in the right group for his or her specific requirements.

Requests from parents for particular teachers will not be entertained as it disrupts the process stated above and may result in students being placed in inappropriate groups.
